

Joey: Mom, I'm going outside to play!

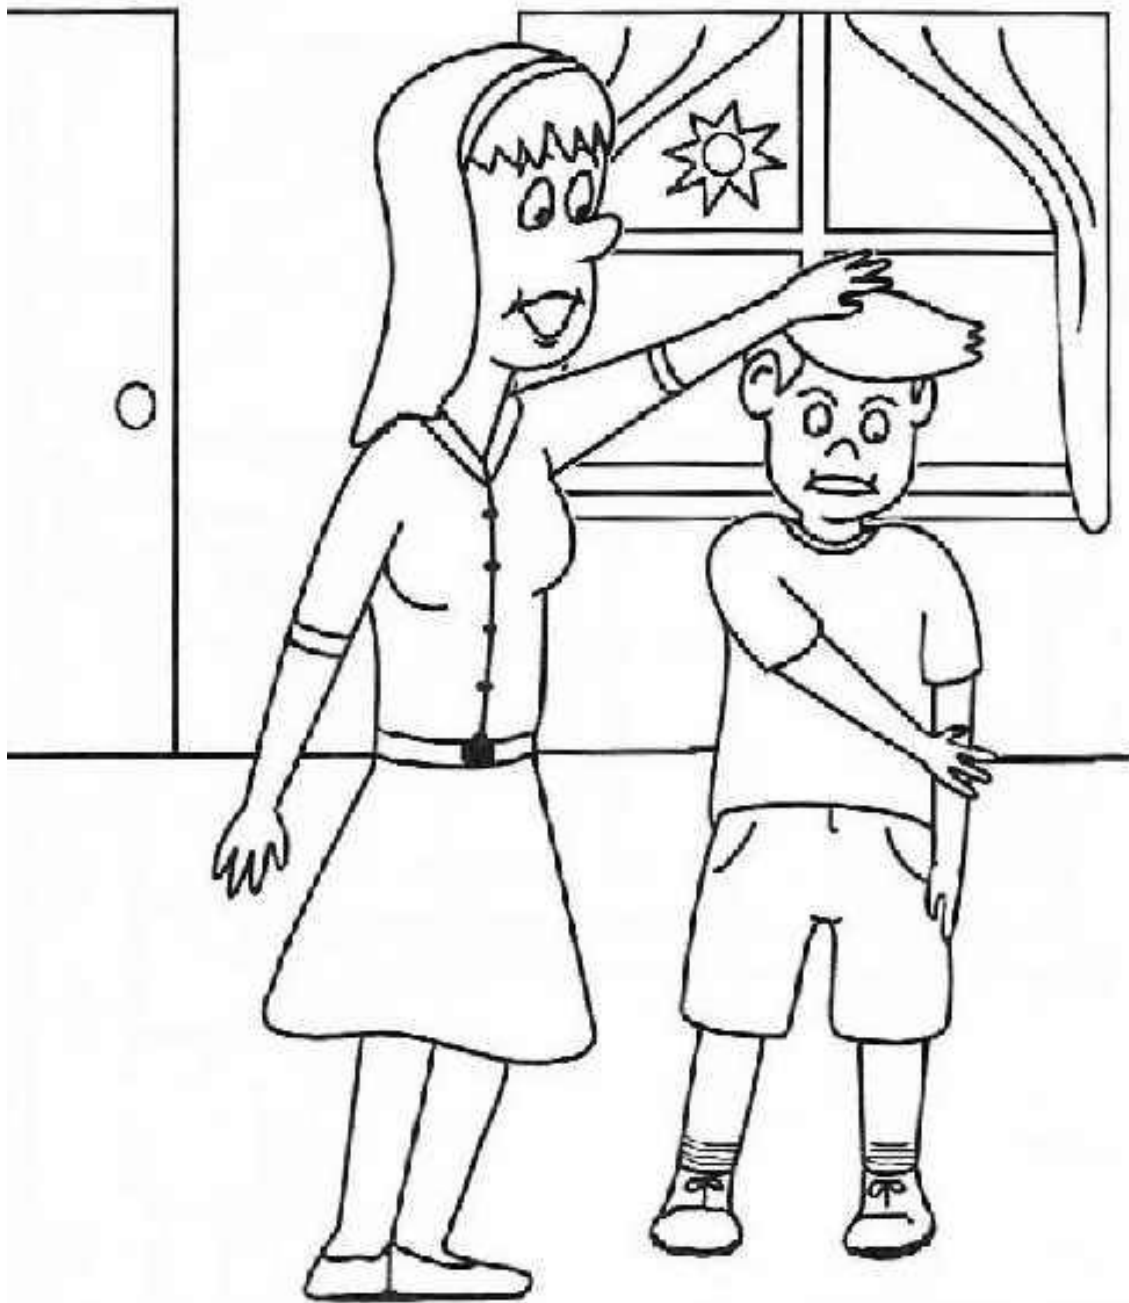

**Mom:** Joey, don't forget your SunBuddy sunblock.  
**Joey:** Oh Mom, I'll get it later.

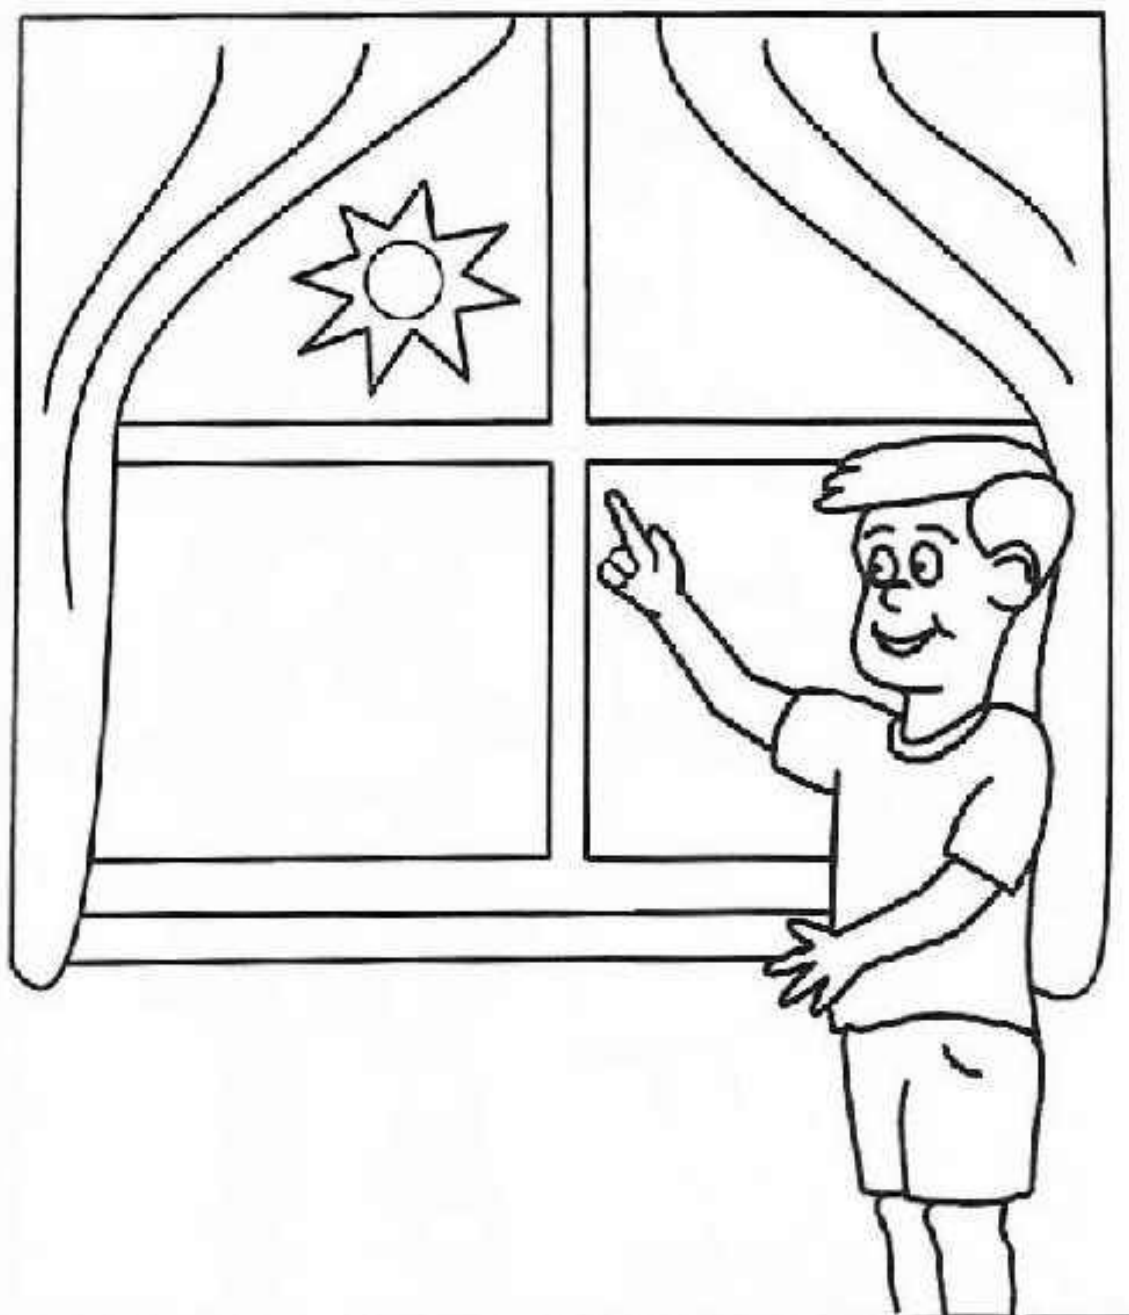

**Joey:** Mom, my skin hurts!

**Mom:** You have a sunburn, Joey. You played outside too long without using your SunBuddy sunblock.

**Joey:** Mom, how does sunblock work?

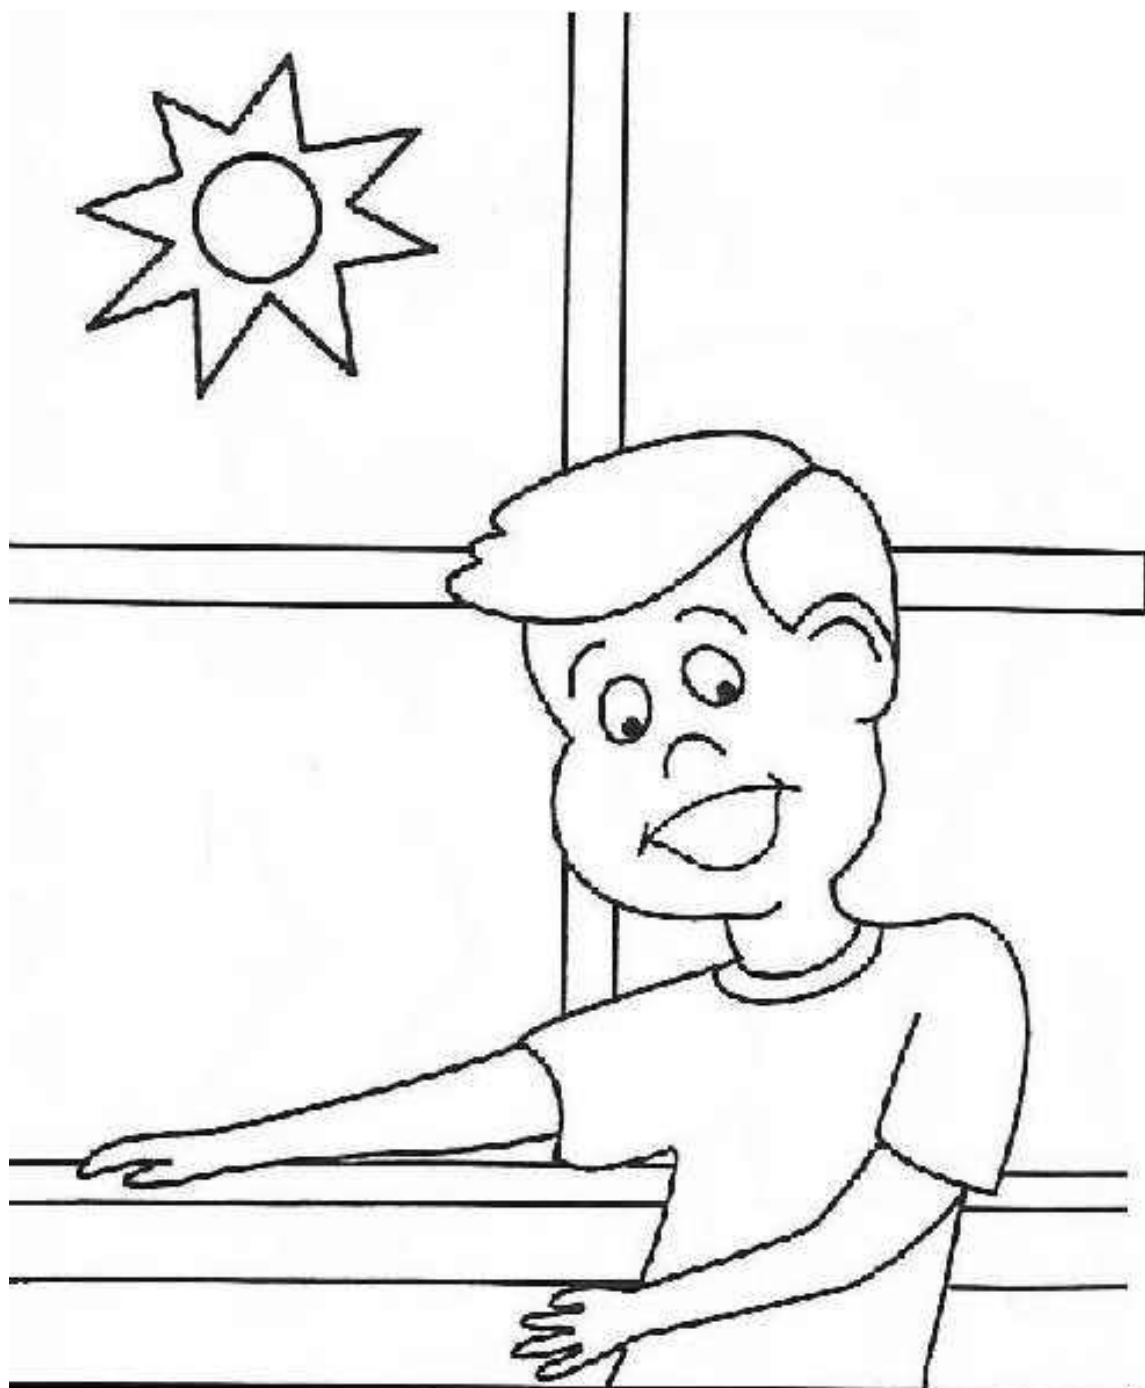

**Mom:** SunBuddy sunblock protects your skin from the harmful rays of the sun.

**Joey:** Is the sun bad for us, Mom?

**Mom:** Of course not, Joey. The sun gives us food, light, strength, and many other things we need!

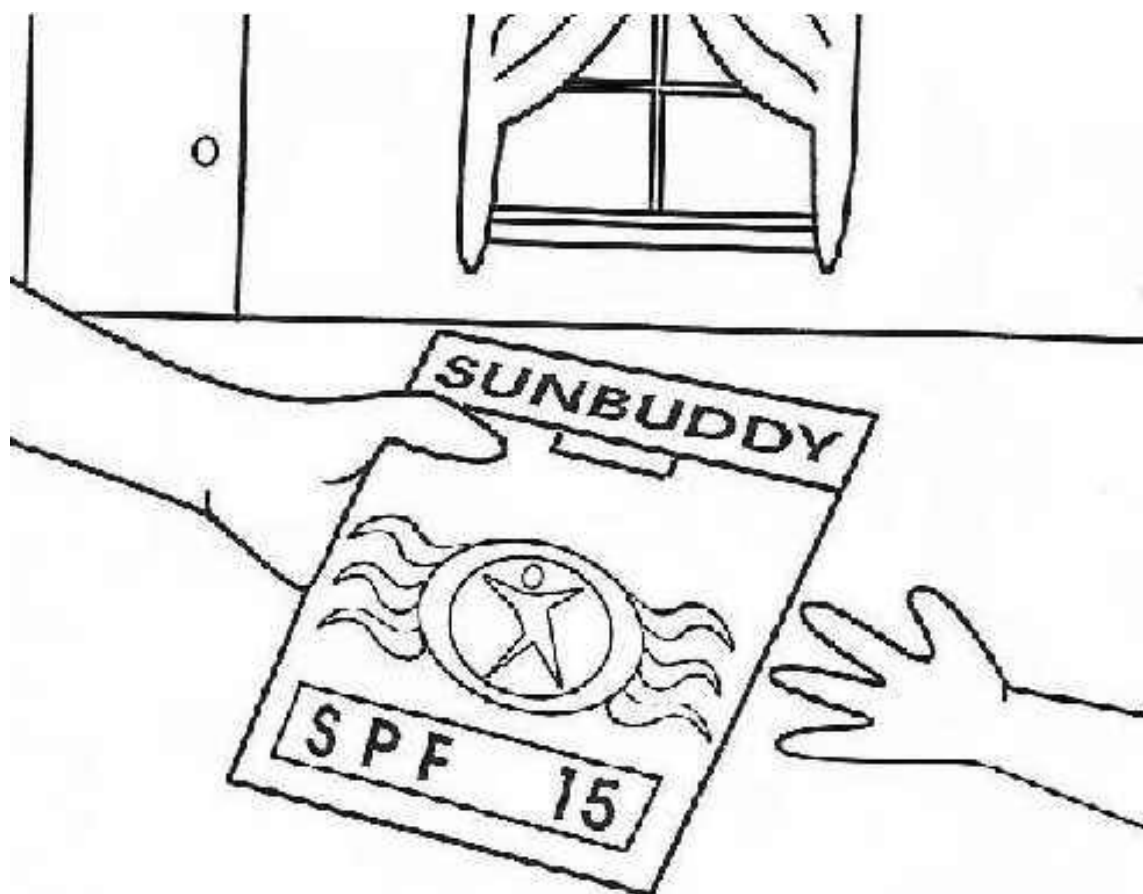

Joey: Wow! The sun does all that?

---

**Mom:** Yes, Joey. You see, the sun isn't bad, but sunburns are!  
So be sure to put on your SunBuddy sunblock each time  
you go outside to play.

Have Fun in the Sun!!

---

**Joey:** You're the best Mom! I'm going to put on my SunBuddy sunblock right now!
